#### CANADA'S TOP COMEDY SKETCH & IMPRO GROUP HITS THE WEST END THIS SUMMER

AUGUST 4<sup>th</sup> - 30th 2009  
LEICESTER SQUARE THEATRE

From the country that brought the world arch-improvisers Mike Myers, John Candy and Colin Mochrie and comic actor supremos Jim Carrey, Leslie Nielsen and Rick Moranis, comes Canadian Content, the latest crop of top comedy talent from the land of the moose. Winner of the Canadian Comedy Awards "Best Sketch Group" and Best Male Improviser, the company is recognised as Canada's premier sketch and impro group.

*Canuxploitation*, a multi-media sketch comedy extravaganza has been variously described as **"putting other sketch comedy groups to shame"** (The Georgia Straight) and **"doing veteran Canucks like Eugene Levy and Andrea Martin proud"**. (The Vancouver Sun). Be warned though, it may not contain *actual* Canadian Content.

Canadian Content includes Ian Boothby (head writer of The Simpsons & Futurama comic books), Drew McCreadie (Best Male Improviser, 2007 Canadian Comedy Awards) Diana Frances (Nominated for 7 Canadian Comedy Awards for Best Female Improviser), Toby Berner (CTV's 'Hiccups') and Chris Casillan (The Vancouver TheatreSports League.) Since first appearing at The Vancouver Sketch Comedy Festival, Canadian Content quickly become a favourite in the Canadian comedy scene, and has performed at The Vancouver International Comedy Festival, The Chicago Improv Festival, The Canadian Comedy Awards, The San Francisco Sketch Festival and The Chicago Sketch Festival, where Time Out Magazine called them **"the surprise hit of the festival!"**

In addition to Canuxploitation, Canadian Content will be performing Improv Jam every Thursday to Saturday at 9.30pm with special surprise international comedy guests!
